There, there must be  
**B5** **D5**  
An easier way  
**D5** **B5** **Em**  
To release these feelings

**F#5** **Em** **F#5**  
So, so far from home  
**B5** **D5**  
I need your voice  
**D5** **B5** **Em**  
To hold my head together

**F#5** **Em** **F#5**  
So, so far from home  
**B5** **D5**  
I need your voice  
**D5** **B5** **Em**  
To lift my lonely state of mind

**F#5**  
You, you can but wait  
**F#5** **D5**  
for me to return  
**D5** **B5** **Em**  
For me to show you how I felt

**F#5** **Em** **F#5**  
These wounds have bled  
**F#5** **Em**  
And pages fly by  
**D5** **B5** **Em**  
I need to feel you right by my side

**F#5** **Em** **F#5**  
So, so far from home  
**B5** **D5**  
I need your voice  
**D5** **B5** **Em**  
To hold my head together
