C

G

Remember the foggy window?

F

G

Remember lightning and wet clothes?

C

G

F

G

Remember the house we used to live near the cemetery [the cemetery]?

There s a shadow on the wall and it s nine feet tall,
And our hearts won t sink cause it s obviously nothing at all,
And in a roundabout way we can disappear towards the coast,
The most I have to say isn t really that revealing at all.

Everyone you forgot,
Everything you could need
Everybody s gonna make it to the cemetery,
There s a fab,
There s a yick,
There s a jenny,
There s a karen,
There s a paul,
There s a jack,
There s a denny.

Everyone you forgot,
Everything that you need,
Everybody s gonna make it to the cemetery,

There s a ross,
There s a neil,
There s a lenny,
There s an aaron,
There s a saul,
There s a chip,
There s benny.

Whoah, whoah, whoah, whoah,
Way oh, way oh,
Do you remember?

Remember the foggy window?
Remember lightning and wet clothes?
Remember the house we used to live near the cemetery?

There s a shadow on the wall and it s nine feet tall,
And our hearts won t sink cause it s obviously nothing at all,
And in a roundabout way we can disappear towards the coast,
The most I have to say isn t really that revealing at all.
