

Whats In Store
Architecture in Helsinki

C **F**
Carve your name into my arm,
Am **F**
Cause I long to feel your name blood red.

C **F**
Leave our love life at the door,

Am
What s in store?

F
We don t know just yet.

C
And that is why when we get together,
G
There s no need to be clever,
Am **F**
Lightning struck at eleven same as last night.

C
We talk deeper than weather,
G
Baseball cap with a feather,
Am **F**
Fire engine s here to quell the blaze that s our life.

Sidestep neighbours full of lust,
Good times rust,
And the runaway s best.
And when the love detector finds a spark,
It s before dark
When we couldn t care a less,

And that is why when we get together,
There s no need to be clever,
Lightning struck at eleven same as last night.

We talk deeper than weather,
Baseball cap with a feather,
Fire engine s here to quell the blaze that s our love.
