Arctic Monkeys

**Dm**

I m going back to 505

**Em**

If it s a 7 hours flight

**Dm**

Or a 45 minute drive

**Em**

**Dm**

In my imagination you re waiting lying on your side

**Em**

With your hands between your thighs

**Dm Em**

**Dm**

Stop and wait a sec

**Em**

When you look at me like that

**Dm**

My darling what did you expect?

**Em**

I probably still adore you

**Dm**

With your hands around my neck

**Em**

Or I did last time I checked

**Dm Em**

**Dm**

**Dsus4**

**Dm**

I m not shy of a spark

**Em**

**Esus4**

**Em**

The knife twists at the thought

**Dm**

That I should fall

**Dsus4**

**Dm**

Short of the mark

**Em**

**Esus4**

**Em**

Frightened by the bite

**Dm**

**Dsus4**

**Dm**

No it s no harsher than the bark

**Em**

**Esus4**

**Em**

A middle of adventure

**Dm**

**Dsus4**

**Dm**

**Em**

Such a perfect place to start
