

Black Treacle
Arctic Monkeys

G

Lately I've been seeing things

D C

Belly button piercings

G D

In the sky, at night

C G

When we're side by side

G

And I don't mean to rain

D C

On anybody's cabriolet

G D

One of those games you're gonna lose

D C G

But you wanna play it just in case

C D G

Now it's getting dark and the sky looks sticky

C D G

More like black treacle than tar

C D G A

Black treacle, somebody told the stars

Cm G

You're not coming out tonight

Cm G D Em C G

And so they found a place to hide

G

Does it help you stay up late?

D C

Does it help you concentrate?

G D

Does it tune you in when you chew your chin?

C G

Am I ruining your fun?

G

And you talk the talk alright

D C

But do you walk the walk or catch the train?

G D

You wanted it, you got it

C G

But you don't want it now

Now it s getting dark and the sky looks sticky

More like black treacle than tar

Black treacle, somebody told the stars

You re not coming out tonight

And so they found a place to hide

And now I m out of place and I m not getting any wiser

I feel like the Sundance Kid behind a synthesizer

And I tried last night to pack away a laugh

Like a key under the mat

But it s never seems to be there

When you want it

Black treacle

Black treacle

Black treacle
