**Arctic Monkeys**

**G**

Lately I've been seeing things

**D C**

Belly button piercings

**G D**

In the sky, at night

**C G**

When we're side by side

**G**

And I don't mean to rain

**D C**

On anybody's cabriolet

**G D**

One of those games you're gonna lose

**D C G**

But you wanna play it just in case

**C D G**

Now it's getting dark and the sky looks sticky

**C D G**

More like black treacle than tar

**C D G A**

Black treacle, somebody told the stars

**Cm G**

You're not coming out tonight

**Cm G D Em C G**

And so they found a place to hide

**G**

Does it help you stay up late?

**D C**

Does it help you concentrate?

**G D**

Does it tune you in when you chew your chin?

**C G**

Am I ruining your fun?

**G**

And you talk the talk alright

**D C**

But do you walk the walk or catch the train?

**G D**

You wanted it, you got it

**C G**

But you don't want it now

Now it s getting dark and the sky looks sticky

More like black treacle than tar

Black treacle, somebody told the stars

You re not coming out tonight

And so they found a place to hide

And now I m out of place and I m not getting any wiser

I feel like the Sundance Kid behind a synthesizer

And I tried last night to pack away a laugh

Like a key under the mat

But it s never seems to be there

When you want it

Black treacle

Black treacle
