

**Fireside**  
**Arctic Monkeys**

Intro: **Bm**

**Bm**

I can't explain but I wanna try

There's this image of you and I

**G**

And it goes dancing by

**Em**

**Bm**

In the morning and the night time

There's all these secrets that I can't keep

Like in my heart there's that hotel suite

**G**

And you lived there so long

**Em**

**Bm**

It's kind of strange now you're gone

**G**

I'm not sure if I should

**Em**

Show you what I've found

**G**

Has it gone for good

**Em**

Or is it coming back around?

**G**

Isn't it hard to make up your mind

**Em**

When you're losing

**Bm**

And your fuse is fireside

**Bm**

There's all those places we used to go

And I suspect that you already know

**G**

But that place on memory lane

**Em**

You like still looks the same

**Bm**

But something about it's changed

**G**

I m not sure if I should

**Em**

Show you what I ve found

**G**

Has it gone for good

**Em**

Or is it coming back around?

**G**

Isn t it hard to make up your mind

**Em**

When you re losing

**Bm**

And your fuse is fireside

**G**

**Em**

**G**

And I thought I was yours, Forever

**Em**

Or maybe I was mistaken,

**G**

But I just can t help manage to

**Em**

**Bm**

Get through the day without thinking of you lately
