(riff1)

If you were there, beware the serpent soul pinchers
Can t you sense she was never meant to fill column inches
And you ve had enough, what you re trying to dig up isn t there to be dug,
the thieves help the thugs

As they re trying beat the good grace of a sweetheart out to the point she ll
comply

Why leave her on her own
If I d have known then I wouldnt t have said it
I wouldnt t have said it if I would have known
Why leave her on her own
If I predicted tears then I wouldnt t have said it
I wouldnt t have said it if I would have known

Ao tempo de 2:36 começa um riff feito com power chords
