

Katy On a Mission
Arctic Monkeys

Em

In this room of darkness I ain't undercover

C

That won't stop my prowess rubbing off on to another

Am

Elevating higher as my body's moving lower

F

Now I've reached my element you better move over

Em

Oh

C

But he doesn't he blocks my way

Am

I try to push past but he wants to play

F

So I sip his drink as I hold his gaze

Em

Oh

C

When we erupt in to the room

Am

And hear the sub go boom

A feeling easy to resume

F

Em

This right here I swear will end too soon

C

So I sink in to the tune

Am

As I inhale the fume

A feeling easy to resume

F

Em

This right here I swear will end too soon

Em

My limbs seem to move what the beat dictates to me

C

I push in to the middle the sound becomes a part of me

Am

Taking me back to that sweet familiarity

F

Making my adrenalin rise I feel the eyes on me

Em

C

Sip the bottle now don't be slow

Am

Keep up with me as we lose control

F

Keep up with me as we lose control

Em

Oh

C

When we erupt in to the room

Am

And hear the sub go boom

A feeling easy to resume

F

Em

This right here I swear will end too soon

C

So I sink in to the tune

Am

As I inhale the fume

A feeling easy to resume

F

Em

This right here I swear will end too soon
