 You got the lights on in the afternoon
    В
And the nights are drawn out long
And you re kissing to cut through the gloom
With a cough drop coloured tongue
And you were sitting in the corner with the coats all piled high
And I thought you might be mine

In a small world on an exceptionally rainy tuesday night
In the right place and time
When the zeros line up on the twenty-four hour clock
When you know who s calling even though the number is blocked
When you walked around your house wearing my sky blue lacoste
And your knee socks

  Well, you cured my January blues
Yeah, you made it all alright
I got a feeling I might ve lit the very fuse
that you were trying not to light
You were a stranger in my phonebook I was acting like I knew
Cause I had nothing to lose
When the Winter s in full swing and your dreams just aren t coming true
Ain t it funny what you ll do?
When the zeros line up on the twenty-four hour clock
When you know who s calling even though the number is blocked
When you walked around your house wearing my sky blue lacoste
And your knee socks
In late afternoon
     D
The ghost in your room
That you always thought didn t approve
Of you knocking boots
Never stopped you letting me get hold of the sweet spot by the scruff of your

You and me could have been a team
Each had a half of a king and queen seat
Like the beginning of mean streets
You could be my baby

When you know who s calling even though the number is blocked

When you walked around your house wearing my sky blue lacoste
