

No. 1 Party Anthem

Arctic Monkeys

**G** **B**  
So, you're on the prowl wondering whether

**C**  
She left already or not

**Am** **D**  
Leather jacket, collar popped like antenna

**G**  
Never knowing when to stop

**G** **B**  
Sunglasses indoors, par for the course

**C**  
Lights in the floors and sweat on the walls

**Am** **D** **G**  
Cages and poles

**G** **B**  
Call off the search for your soul

**C**  
Or put it on hold again

**Am**  
She's having a sly indoor smoke

**D** **G**  
And she calls the folks who run this her oldest friends

**G** **B**  
Sipping a drink and laughing at imaginary jokes

**C** **Am**  
As all the signals are sent, her eyes invite you to approach

**D** **Cm**  
And it seems as though those lumps in your throat

**D**  
That you just swallowed have got you going

**G** **B** **Em**  
Come on, come on, come on

**G7** **C**  
Come on, come on, come on

**Cm** **G**
