Old Yellow Bricks

Love s a risk

Quite the little escapologist

Looked so miffed ,when you wished  
For a thousand places better than this  
You are the fugitive but you don t know what you re running from  
You can t kid us and you couldn t trick anyone  
Houdini, love you don t know what you re running away from

(REFRÃO) (D5 E5 F5 E5)

Who wants to sleep in the city that never wakes up  
Blinded by nostalgia  
Who wants to sleep in the city that never wakes up

(VERSO)

She was enraged by the way  
That the emperors put traps in the cage  
And her days she being dull  
Lead to nights reading beer bottles  
You re such a fugitive but you don t know what you re running from  
You can t kid us yeah you can t trick anyone  
Houdini, love you don t know what you re running from

(REFRÃO) (D5 E5 F5 E5)

Who wants to sleep in the city that never wakes up  
Blinded by nostalgia  
Who wants to sleep in the city, that never wakes up

(PONTE1)

(PONTE2)

(REFRÃO) (D5 E5 F5 E5)

You re at a loss, just because  
It wasn t all that you thought it was  
You re the fugitive but you don t know what you re running away from  
She said I want to sleep in the city that never wakes up  
And revel in nostalgia  
I know I said he wants to sleep in the city that never wakes up  
But Dorothy was right though...
