Verse-

```

A#                D#                F#                F
Oh, spending all of your money on trendy haircuts that you read were cool
A#                D#                F#    F
And your probably alrite, but under these lights you look beautiful
A#                D#                F#    F
And im struglin , I can see through your fake tan
A#                D#                F#    F
And yeh you know it for a fact that everybodies eating out of your hand

```

Chorus-

```

D#                C#
What do you know, O! You know nothing
A#
Yeh, But i ll still take you home, yeh I ll still take you home
D#                C#                A#
What do you know, O! You dont know nothing

```

(bass and lead play riffs, no rhythm guitar)

Verse 2-

```

A#                D#                F#                F
Well fancy seeing you in here, your all tarted up and you dont look the same

```

A# D# F# F
Well I aint seen you since last year, and suprisingly enough youve forgotten my name.

A# D# F# F
But yeh you know it, and you knew it all along

A# D# F# F
And yeh you say you have forgotten but your fibbing and wont tell me i m wrong

Chorus
