

Strange
Arctic Monkeys

Capo on 2 fret

G **Em**
Strange, how you stopped loving me
G
How you stopped needing me
C
When he came along
D **G** **C D**
Oh, how strange

G **Em**
Strange, you changed like night and day
G
Just up and walked away
C
When he came along
D **G**
Oh, how strange

Dm
Well, I guess that I was just your puppet
C
You held on a string
Em **A7**
To think I thought you really loved me
D
But look what thoughts can bring

G **Em**
Strange, you re still in all my dreams
G
Oh such a funny thing
C
I still care for you
D **G**
Oh, how strange

Dm
Well, I guess that I was just your puppet
C
You held on a string

Em **A7**
To think I thought you really loved me
D
But look what thoughts can bring

G **Em**
Strange, how you stopped loving me
G
How you stopped needing me
C
When he came along
D **G**
Oh, how strange

Em **G Em**
How strange

G
End
