

Cassandra Pt Ii

Area 11

C

Still

Am

And though it doesn't really matter now

F

I can't believe that I got so far,

Bb

I got so far behind

C

My Love

C

You use me, and I use you

Am

F

I your savior, you my muse

The best friend that you been to me

Bb

But I wanna be your enemy

C

(I wanna be your Enemy)

C

You stare at me with mirrorless eyes

Am

You want a reaction, want a reaction

F

You wear a red dress, when your in a bull fight

Bb

C

You're drawing attention to your double lies

C

Am

In Dreams, I'm coming to find you

F

And when I wake, I want anyone else

Bb

Coz I don't love you

C

That's what I'm telling myself

C

This was the moment, this was the place

Am

This was the night that everything changed

F

I'm hiding from you, Hiding from you

Bb

C

Hiding from you, coz we are the same

C

We re not just numbers we are alive

**Am**

A digital haunt in an analog life

**F**

I m hiding from you, Hiding from you

**Bb**

**C**

Hiding inside you, coz we are the same
