[F#m] [A] [E] (x2)

[F#m] [A] [E]
I ve been living underground; locked in the silence.
[F#m] [A] [E] [D] [E]
Until you came and dug me up into a world full of violence.

[F#m] [A] [E]
Now we re spinning down anti-spirals.
[D] [E]
(Get it, get it out, get it, get it out)

[F#m] [A] [E]
So many faces, so many trials.
[D] [E]
(Get it, get it out, get it, get it out)

[D] [E] [F#m] [F#m7/A]
They won t stop our evolution.
[F#m] [E]
Who do you think we are?
[D] [E] [F#m] [F#m7/A]
Fight against your execution.
[F#m] [E]
Who do you think we are?

[D] [E] [F#m] [A]
Trust me and we ll fly, not fall.
[F#m] [A] [E]
Now tip the balance and risk it all.
[D] [E] [Bm] [D]
Together we can go so far.

[E] [F#] [F#m]
(Ro! Ro! Fight the Power)

[F#m]
(Look up!)
[A] [E]
All the lights in the sky are stars.
[F#m]
(Reach out with your fist)
[A] [E]
Let s demolish the tower.

[D] [E] [F#m] [A]
We are complete. (Our souls are fused)

[D] [E] [F#m]
My drill will pierce through.

[F#m] [A]
A twisting helix binds to me,
[E] [F#m]
And follows everywhere I go.
[A] [E]
It carries the hope of humanity,
[D] [E]
And everything we know.

[F#m] [A]
Smash your head into mine.
[E] [D] [E]
(Cut it, cut it out, cut it, cut it out)
[F#m] [A]
Time stops as we combine.
[E] [D] [E]
(Cut it, cut it out, cut it, cut it out)

[D] [E] [F#m] [F#m7/A]
They won't stop our evolution.
[F#m] [E]
Who do you think we are?
[D] [E] [F#m] [F#m7/A]
Fight against your execution.
[F#m] [E]
Who do you think we are?

[D] [E] [F#m] [A]
Trust me and we'll fly, not fall.
[F#m] [A] [E]
Now tip the balance and risk it all.
[D] [E] [Bm] [D]
Together we can go so far.

[E] [F#] [F#m]
(Who the hell do you think we are?)

[F#m]
(Look up!)
[A] [E]
All the lights in the sky are stars.
[F#m]
(Reach out with your fist)
[A] [E]
Let's demolish the tower.
[D] [E] [F#m] [A]

We are complete. (Our souls are fused)
[D] [E] [F#m] [A]
There s no defeat. (This path we choose)
[D] [E] [F#m] [A]
We are complete. (Our souls are fused)
[D] [E] [F#m]
My drill will pierce through.

[A] [D]
