BRIDGE

It s hard to fight
When you re struggling for breath
And it s hard to smile
Noble in the face of death
There s no defence
To quell a greater force of will
One desperate flight
But needlessly their blood is spilt

BRIDGE

Endure the bleakest days
 Light the visions crowding in
 Identify the one to blame
 Expose the guilty and the sinners
 Vocation holds us here
 Even to the end of days
 There s no inaction
 That will feed the hungry flames
