Whipped Cream
Ari Lennox

[Chorus]
```
        D                              Cm
I ve been eatin  whipped cream, havin  vivid dreams
          D                            Cm
Of your face and through people on TV screens
            D           Cm
You ve been everywhere
   D                    Cm
And I wish I didn t care
               D          Cm
Oh, you ve been everywhere
      D              Cm                    D
I wish... wish I didn t care, yeah
  Cm
Wish I didn t
```

[Verse 1]
```
          D
I ve been thinkin  of you
          Cm
I ve been keepin  you
       D
Alignin  my soul
             Cm
With the devil that it chose
             D
I ve been thinkin  this
            Cm
Thinkin  of some kids
          D
How I m agin , degradin
        Cm
When I give it like this
          D                      Cm
I ve been cryin  at night, holdin  bullet tight
          D                             Cm
Hopin  I meet someone different, but it s true that I don t
```

[Chorus]
```
          D                        G#      Cm
I ve been eatin  whipped cream, havin  vivid dreams
          D                            Cm
Of your face and through people on the TV screen
     D       Cm
Everywhere
```

```
Said I ll be...
         D                    Cm
And I wish I didn t care
                  D              G#m
Oh, you ve been everywhere
      D                  Cm
I wish... wish I didn t care

[Verse 2]
           D                         Cm
I ve been in my feels, I ve been stackin  bills
         D                        Cm
Online shoppin  and robbin  my chance of survivin
           D                 Cm         G#m
I ve been late on rent, what was I thinkin ?
      D                         Cm
I m gon  go to the gym, squat real low for a man
         D                        Cm
 Round you it revolves, I can t shake it off
    D                           Cm
Unrequited, admit it, you were never mine at all
  D
Never mine, never mine
 Cm                  D
Never mine at all
   D
Never mine
   CM
Never mine at all

[Chorus]
          D                          Cm
I ve been eatin  whipped cream, havin  vivid dreams
       D                            C#m     F
Of your face and through people on TV screens
                 D      E
You ve been everywhere
  D              C# C#m
And I wish I didn t care
 F#m       G#m    D          G#m
Oh, you ve been everywhere
    D              A              C#m              A
I wish... (said I wish) wish I didn t care, yeah

[Bridge]
   A C#m F#m
Ooh, yeah, ooh
D G# D
Eat...
  C#m D C#m
```

```
Oh, yeah, ooh
        D                              G#m              D
You re deceivin , receivin , non-givin  headass
        D      A         G#m                        D
You re deceivin , receivin , non-givin  headass (oh, yeah)

[Chorus]
        D         A             G#m
I ve been eatin  whipped cream, havin  vivid dreams
      A                      C#m
Of your face and through people on TV screens
G#m       D     A       G#m
You ve been everywhere
D      A  Cm
And I wish I didn t care
                 A        G#m
Oh, you ve been everywhere (you ve been, you ve been, you ve been)
   A            C
I wish... wish I didn t care, yeah
