

Break Your Heart Right Back
Ariana Grande

Am
I should have saw it coming

G
I should have saw the signs

F
But I wanted to believe you, trust you

C
You said you wouldn't lie

Am
But baby you were so good, so good

G
You had me going blind

F
You said it was your best friends, I'm guessing

C
I wasn't your type, hey

Am
What goes around comes around

G
And if it goes up, it comes down

F
I know you mad cause I found out

G
Want you to feel what I feel right now

C
Now that it's over

G **Am** **F**
I just wanna break your heart right back, right back

C
Want you to cry me a river

G **Am**
I just wanna break your heart right back, yeah

F
All this time I was blind. Running around Telling everybody

C
My baby loves me

G
My baby loves me

Am **F** **Am**
My baby, my baby, my baby loves me

G
You said I was your best, would be your last

F

Now he s gone, you re alone. Don t want you back

Am

You re telling me you re sorry

G

Well sorry, my friends

F

Cause I ve already been there, done that

C

Ain t doing this again, no

Am

What goes around comes around

G

And if ti goes up, it comes down

F

I know you mad cause I found out

G

Want you to feel what I feel right now

C

Now that it s over

G

Am

F

I just wanna break your heart right back, right back

C

Want you to cry me a river

G

Am

I just wanna break your heart right back, yeah

F

All this time I was blind. Running around Telling everybody

C

My baby loves me

G

My baby loves me

Am

F

My baby, my baby, my baby loves me

C

My baby loves me

G

My baby loves me

Am

F

My baby, my baby, my baby loves me

Am G F C

Listen, you got man but you man ain t loyal

Don t understand how to spell it out for ya

Yes I m **G**, from the **A**, and they ask why

Sorry had to tell ya I m a nice guy

Naw I m a sick guy, money too much

I step on stage and girls move too much

The flow so gross, my nickname school lunch

And he with them other guys, you know it s cause

G|-A-M-B-I-N-O, I know they hate

But I don't know why, uh
I know the way he did you as whack
But I know how you can get dude right back

C

Now that it's over

G

Am

F

I just wanna break your heart right back, right back

C

Want you to cry me a river

G

Am

I just wanna break your heart right back, yeah

F

All this time I was blind. Running around Telling everybody

C

My baby loves me

G

My baby loves me

Am

F

My baby, my baby, my baby loves me

C

My baby loves me

G

My baby loves me

Am

F

My baby, my baby, my baby loves me

C

G

Ooh, you running around town tell everybody

Am

F

Ooh, you running around town tell everybody

C

G

Ooh, you running around town tell everybody

Am

F

Ooh, you running around town tell everybody

C

G

Am F

I'm coming out, he's coming

C

G

I'm coming out
