

**Get Well Soon**  
**Ariana Grande**

[Intro]

N.C.

You can feel it, feel it

**Em G**

Yeah, yeah

[Verse 1]

**Ab**

They say my system is overloaded

**Ab**

(Girl, what 's wrong with you? Come back down)

**Ab**

I m too much in my head, did you notice?

**Db**

(Girl, what 's wrong with you? Come back down)

**Db**

My body s here on Earth, but I m floating

**Db**

(Girl, what 's wrong with you? Come back down)

**Db**

**Cm7 Fm7**

Disconnected, so sometimes, I feel frozen and alone

[Chorus]

**Bb**

This is for everybody

**Bb**

Babe, you gotta take care of your body, yuh yuh

**Eb**

Ain t no time to deny it, that is why we talking about it

**Ab**

Yeah, we talking about it

**Ab**

To deal with it, don t try to get by it

**Ab**

Ain t no time to deny it

**Ab**

So we had to sit down and just write it

[Verse 2]

**Ab**

Want you to get better (woo!)

**Ab**

My life is so controlled by the what-if s

**Ab**

(Girl, what 's wrong with you? Come back down)

**Ab**

Is there anybody else whose mind does this, mmm?

**Db**

(Girl, what 's wrong with you? Come back down)

**Db**

Down, down, down, down

**Db**

Is there such a ladder to get above this?

**Db**

(Down, down, down, down, down, down, down, down)

**Db**

(Girl, what 's wrong with you? Come back down)

**Db**

Maybe I should grow myself where the mud is

**Cm7 Fm7**

Before I m gone

[Chorus]

**Bb**

This is for everybody

**Bb**

Babe, you gotta take care of your body, yuh yuh

**Eb**

Ain t no time to deny it, that is why we talking about it

**Ab**

Yeah, we talking about it

**Ab**

To deal with it, don t try to get by it

**Ab**

Ain t no time to deny it

**Ab**

So we had to sit down and just write it

[Bridge]

**Bbm**

**Cm**

You can work your way to the top

**Eb**

**Ab**

(You can feel it, feel it, woo)

**Bbm**

**Cm**

Just know that there 's up and downs and there s drops

**Eb**

**Ab**

(You can feel it, feel it, woo)

**Bbm**

**Cm**

Unfollow fear and just say
