

I Don't Care  
Ariana Grande

C Am C Dm Fm  
Used to cry bout some crazy shit before, I  
C Am C Dm Fm  
used to feel so obligated to be so much more, I  
C Am C  
used to let some people tell me how to live and what to be  
Dm Fm  
But if I can't be me, then fuck's the point? No

C Am C Dm Fm  
I don't care about it anymore, oh  
C Am C Dm Fm  
I don't care about it anymore

C Am C  
Now I laugh about the things that used to be important to me  
Dm Fm  
Used to have a hold on me, used to have a hold

C  
Like what do you think  
Am C  
And what he thinks and what they think  
Dm Fm  
But I love me

C Am C Dm Fm  
I don't care about it anymore, oh  
C Am C Dm Fm  
I don't care about it anymore
