Love Me Harder
Ariana Grande

```
A                         C#m
Tell me something, I need to know
     F#m                    G#m
Then take my breath and never let it go
A                    C#m
If you just let me invade your space
     F#m                    G#m
I ll take the pleasure, take away the pain
```

```
     A                    C#m
And if in the moment I bite my lip
     F#m                       G#m
Baby, in the moment, you ll know this is
A                    C#m
Something bigger than us and beyond bliss
F#m                      G#m
Give me a reason to believe it
```

```
          A                    C#m               F#m           G#m
Cause if you want to keep me, you gotta gotta gotta love me harder
          A                C#m                      F#m
And if you really need me, you gotta gotta gotta gotta love me harder
      G#m
Gotta love me harder
A
Ooohhh
C#m
Love me, love me, love me
F#m
Ooohhh
G#m
Harder, harder, harder
```

```
The Weeknd:
   A                    C#m
I know your motives and you know mine
     F#m                    G#m
The ones that love me, I tend to leave behind
      A              C#m
If you know about me and choose to stay
     F#m                   G#m
Then take this pleasure and take away the pain
```

```
A                            C#m
And if in the moment you bite your lip
F#m                            G#m
```

When I get you moaning you know it s real

A   **C#m**
