

Love The Way You Lie Part 2
Ariana Grande

Capo 3rd fret (or 2nd, depending on your vocal range)

Standard tuning.

[Verse]

Em **C**
On the first page of our story
G **D**
The future seemed so bright
Em **C**
Then this thing turned out so evil
G **D**
I don't know why I'm still surprised
Em **C**
Even angels have their wicked schemes
G **D**
And you take that to new extremes
Em **C**
But you'll always be my hero
G **D**
Even though you've lost your mind

[Chorus]

Em **C**
Just gonna stand there and watch me burn
G **D**
Well that's alright because I like the way it hurts
Em **C**
Just gonna stand there and hear me cry
G **D**
Well that's alright because I love the way you lie
Em **G**
I love the way you lie
C **D**
I love the way you lie

[Second Verse]

Em **C**
Now there's gravel in our voices
G **D**
Glass is shattered from the fight
Em **C**
In this tug of war you'll always win
G **D**
Even when I'm right
Em **C**
Cause you feed me fables from your hands

G **D**
With violent words and empty threats
Em **C**
And it s sick that all these battles
G **D**
Are what keeps me satisfied.

[Chorus]

Em **C**
Just gonna stand there and watch me burn
G **D**
Well that s alright because I like the way it hurts
Em **C**
Just gonna stand there and hear me cry
G **D**
Well that s alright because I love the way you lie
Em **G**
I love the way you lie

[Bridge]

C **D**
So maybe I m a masochist
Em **D**
I try to run but I don t wanna ever leave
C **D**
Till the walls are going up
Em **D** **Em** (hold)
In smoke with all our memories

[Chorus]

Em **C**
Just gonna stand there and watch me burn
G **D**
Well that s alright because I like the way it hurts
Em **C**
Just gonna stand there and hear me cry
G **D**
Well that s alright because I love the way you lie
Em **G**
I love the way you lie
