In no time I ll be forgettin  all about you
You sayin  that you know
But I really really doubt you
Understand my life is easy

Too biggie to be here stressing
I m thinkin  I love the thought of you
More than I love your presence
And the best thing now
Is probably for you to exit
I let you go
Let you back
I finally learned my lesson
No half-stepping
Either you want it or you just playin
I m listening to you knowing
I can t believe what you re sayin
There s a million you s baby boy
So don t be dumb
I got 99 problems
But you won t be one
