

Touch It
Ariana Grande

Em

How do I make the phone ring?

G Am7

Why do I even care?

How are you all around me?

G C D

When you re not really there?

Em

When you re not really there?

D

Em

How do I feel you on me

G Am7

when you re not on my skin?

Why do you say you want me?

G C D

Then tell me I m not coming in

Em

Baby, just come on in

(**D**)

Em

Cause every time I m with you, I go into my zone

G Am7

And I ll remember all the places you wanna go

C D

Take me all the way, ooohh

Em

Ain t nobody gonna touch it, touch it, touch it

(**D**)

Em

Cause every time I see you I don t wanna behave

G Am7

I m tired of being patient so let s pick up the pace

C D

Take me all the way, ooohh

Em

Ain t nobody gonna touch it, touch it, touch it

Em

How do you know I m breathing

G Am7

when I m holding my breath?

Why don t we face the danger

G **C** **D**

just for the night and forget?

Em

Baby, let s just forget

D **Em**

Remind me why we re taking a break

It s obviously insane

G **Am7**

Cause we both know what we want

C **CM** **D**

So why don t we fall in love?

Em

Baby let s fall in love

(**D**) **Em**

Cause every time I m with you, I go into my zone

G **Am7**

And I ll remember all the places you wanna go
