**Ariel Pink's Haunted Graffiti**

not sure about chords, any comments would be awesome....

**Am - G**

When we out in the moonlight  
lookin up at the stars above  
feels so good when i m near you  
holding hands and making love

Oooh baby  
you re so baby  
oooh baby  
you re so baby

Sandy beach, was makin love  
As a tide moves in on us  
feels so good walking side by side  
wanna be with you all my life

Ooh baby  
you re so baby  
ooh baby  
you re so baby  
ooh baby  
you re so baby

Dreams of you all the time  
feel so good i want to get that right  
just can t wait till tomorrow
