When I am closed in the dark

**G** **Bm**  
The air is cold and this fresh air s old  
**C** **Dsus4** **D**  
Where the flowers, her young heart lands

**G** **D** **Cmaj7** **Em**  
Let s make a campfire there (x4)

**G** **D** **C** **G** **D**  
Let s put some wood on the sand  
**G** **D** **C** **G** **D**

Those (?) times, nature s (?)

**G** **D** **Cmaj7** **Em**  
Let s make a campfire there (x2)

**C** **D**  
You were sitting by the fire  
**G** **Em**  
And I just watched from far away  
**C** **D**  
Something out there made you smile

**Em**  
And the forest was cold  
**D**  
But my body was warm  
**C** **D**

It finally felt like this was our home

**C**

**D**

And right then I ran all the way back

**G D C G D**

Into your arms

**G D C G D**

**G D C G D**

**G D C G D**

**G D C G D**

There s love in my heart like a tree

**G D C G D**

It s here that I long us to be

**G**

Your face is so bright

**Bm**

Like a distant porchlight

**C**

**Dsus4 D**

For a stranger who s far from home

**G D Cmaj7 Em**

Here with my face in your hands

**G D Cmaj7 Em**

Such hesitation inside

**G D Cmaj7 Em**

Let s make a campfire there (x8)
