The Ark

[Intro]

[C G Am G]
[C G Am G]

C G
And I know we were both too young
Am G
way back when we had our thing
C G
And you re not the one that I think of
Am G
everytime that the telephone rings
C G
And I know that what we had
Am G
would not be called love by the ones we know
C G
And I know it s been many years
Am G
and a hundred love-affairs ago

Em C
I know all that so well
D C
but I also do know this
Am D
Calleth you, cometh I
C G
And that s just how it is
Am
and how it s always been
G
It s where my reason stops
C
and something else comes in
G
I know it doesn t make sense, but still
Am D
Calleth you, cometh I
C G Am G
That s how it is...

C G
And I know we became restrained

Am **G**
 everytime we were among friends
C **G**
 And I know how it was last time
Am **G**
 and how bitterly it always ends
C **G**
 And I know we were both too young
Am **G**
 to know what real love would be like
C **G**
 And I know that our communication
Am **G**
 didn't always work out right

Em **C**
 I know all that so well
D **C**
 but I also do know this
Am **D**
 Calleth you, cometh I
C **G**
 And that's just how it is
Am
 and how it's always been
G
 It's where my reason stops
C
 and something else comes in
G
 I know it doesn't make sense, but still
Am **D**
 Calleth you, cometh I

 That's how it is...

[G **D** **C** **D** **C** **G**]
 [C **D** **Am** **D** **C** **D**]

G **D** **C** **D**
 And I've been waiting for this so long...
C **G** **C** **D** **Am**
 Waiting to sing this song, for you...
D **C** **D**
 Calleth you, cometh I

G **D** **C** **D**
 And I've been waiting for this so long...
C **G** **C** **D** **Am**
 Waiting to sing this song, for you...
D **C** **D**
 Calleth you, cometh I
