Calleth You Cometh I Ark Calleth You, Cometh I The Ark [Intro] [C G G] Am [C G Am G] С G And I know we were both too young Am G way back when we had our thing С G And you re not the one that I think of Am G everytime that the telephone rings С G And I know that what we had Am G would not be called love by the ones we know С G And I know it s been many years Am G and a hundred love-affairs ago Em C I know all that so well D C but I also do know this Am D Calleth you, cometh I С G And that s just how it is Am and how it s always been G It s where my reason stops C and something else comes in G I know it doesn t make sense, but still Am D Calleth you, cometh I C G Am G That s how it is... С G And I know we became restrained

Am G everytime we were among friends C G And I know how it was last time Am G and how bitterly it always ends C G And I know we were both too young Am G to know what real love would be like С G And I know that our communication Am G didn t always work out right Em C I know all that so well D C but I also do know this Am D Calleth you, cometh I C G And that s just how it is Am and how it s always been G It s where my reason stops C and something else comes in G I know it doesn t make sense, but still Am D Calleth you, cometh I That s how it is... [G C D C G] D [ C D C D] Am D G D С D And I ve been waiting for this so long... D Am С С G Waiting to sing this song, for you... D С D Calleth you, cometh I G D C D And I ve been waiting for this so long... C C D Am G Waiting to sing this song, for you... D С D Calleth you, cometh I
