The Ark - Echo Chamber

Vers: **D, F#m, Em, A** 2x

Bridge: **F#m, A, E, Bm**

Bm, A, G, F#m, G, F#m, Em, D, A

chorus: **D, Bm, F#m, G, A, Bm, D**

Vers 1:

No,

- Have You heard the word no (no, no)

- I thought so

`Cause everybody says yes

everywhere you go

- Yâ´know,

if you always must know whatâ´’s right

you will end up among the ones

who always are wrong

Bridge:

Remember a star that shone so bright

but now his glare fills me with fright

And now I actually fear

that somethingâ´’s gone wrong

with your ears. Iâ´’m singing:

chorus:

- Step out!

- Step out of your echo chamber!

- Step out!

- Step out of your echo chamber!

before it is too late
before it is too late
before it is too late
'cause I miss you so

Vers 2:

You always stayed among the ones
not so strong
too eager to belong
to object when you were wrong

When will you ever get sick of
listening to repeats
of what you have said
you better listen instead, to folks
who think with their own head

Bridge:

I never want to be your foe
I just want to say I miss you so
- How long will you stay in there?
I just wish that you could hear me singing:

chorus:

- Step out!
- Step out of your echo chamber...
