Intro chords:

```
| G/B C | D Em |
| G/B C | D7sus D | G...
```

G/B C Em Em/G G/D B/D# Em D  
It took time, took time to develop a concept, a new me  
Em G/B C D C D  
Based upon the traits from which i could not flee  
G/B C Em Em/G G/D B/D# Em D  
It took time, took time to embrace the nature of my dreams  
Em G/B C D7sus D G  
All this time just turned into a sa - a - ad long wait

C G D/F# Em  
This sad long tale of moments passÃ©  
C G  
must come to an end before it is too late,  
D/F# Em C  
wasn t born to hate, I was made to love  
G/B C D7sus D G  
But I never knew it wa - aas so hard

G/B C Em Em/G G/D B/D# Em D  
It took time, took time to accept the fact that one must loose  
Em G/B C D C D  
everything except what you do not choose  
G/B C Em Em/D G/B B/D# Em D  
It s ta - ken time, long time and yet more time it will take  
Em G/B C D7sus D G

Before my heart is free and brave enough to break

**C G D/F# Em**  
This sad long tale of moments pass

**C G**  
must come to an end before it is too late,

**D/F# Em C**  
wasn't born to hate, I was made to love

**G/B C D7sus D E**  
But I never knew it was so hard

**C G D/F# Em**  
This sad bouquet of forget-me-nots

**C G**  
that I threw away is growing scars and dots

**D/F# Em C**  
in this weary heart where there's a bird so shy

**G/B C D7sus Fmaj7 Em G/B Am Abmaj7 G**  
Oh, but one of these days that bird will learn to fly
