

**Down On You**  
**Arlibido**

Song: Down On You  
Band: Arlibido  
Album: [safe ?n? sexy] (1998)  
Words by: Tim MacNeill  
Music by: Arlibido  
Tabbed by: Matt Finateri

Tuning: **Eb Ab Db Gb Bb Eb** (1/2 step down)

There are a lot of little nic-naks, that Tim throws in quite a bit during this song. For example, he lifts his index finger from the B string when playing an Am, in the chorus. Or during the Am, in the last chorus, he'll place his pinky on the high e string, on the 3rd fret and pick between the first 3 strings.

There are a few more, but just listen to the track and you should be able to pick them up. They are all based on the chord that is to be played, so you shouldn't have any trouble.
