\*VERSE

Don?t worry  
A little distance is the price we pay for experience  
Isn?t experience the reason that you went away?  
Here, the leaves are brown, the leaves are brown  
And this is the fourth time this has happened  
since I?ve loved you  
As far as seasons go, and they always go  
This one is emptier than most

\*CHORUS

**Am**  
I?ll take you all the way  
**C G F**  
All of the way, all the way home (3X)  
**Am**  
You?ve been gone soooo long  
**C G F**  
It?s tearing my soul...

\*VERSE:

And Aphrodite  
I swear on my soul you're oxygen to me  
You'll recognize me  
I will be the one who's on his knees  
Outside it's getting cold it's really cold  
And this is the fourth time this has happened  
since I've loved you  
As far as seasons go, and they always go  
This one is emptier than most

\*REPEAT CHORUS

\*BRIDGE:

**Am**            **C**            **G**    **F**  
La da hee, la da hee, la da hee (3X)  
**Am**            **C**            **G**    **F**  
La da hee, la da hee, la daaaahh...

\*VERSE

Don't worry  
You're only human and the sand is warm  
It won't be easy  
But we have gotten through a whole lot more

\*REPEAT CHORUS

There you have it! An easy song to play and sing!  
Enjoy!  
Arlibido rules!!
