City Lights Cry

Armistice- Armistice EP (Coeur de Pirate+ Bedouin Soundclash)

Je trouve dommage qu'il n'y ait pas de partitions pour cette chanson, alors j'en ai fait une moi-même, à l'oreille. Donc elle semble bonne, mais il peut y avoir quelques erreurs. Jo-Love si tu pouvais vérifier, ça me ferait grand plaisir; ton oreille est meilleure que la mienne.

_____ **Am** _____ **G**

And don't take that cut*

_____ **Am** _____ **Dm**

It's not you that gets hurt, tonight

_____ **Dm** --- **Vide** --- **E** _____ **Am** _____ **E**

And let alone danger, peace of mind is not hard to find

Am _____ **G**

I heard you were lonely

_____ **Am** _____ **Dm**

Is it worth making me, the fool

_____ **Dm** _____ **E**

For trusting your halo

_____ **Am** _____ **E**

And those tales that became too cruel

_____ **Dm** _____ **G**

Iâ€™ll leave you for someone tonight

_____ **Am** _____ **Dm**

The shapes of the city lights, burning too bright

_____ **Am** _____ **E**

And I know you wonâ€™t run, you wonâ€™t chase me there

_____ **Am** _____ **E**

And that gets to me more and more every day

_____ **Dm** _____ **G**

But you claimed that I was more than a man

_____ **Am** _____ **Dm**

And seconds â€™til now you still loved who I am

Dm _____ **E**

And darling I will run, I will chase you there

_____ **Am**

In time you will learn thereâ€™s us and them

_____ **Am** _____ **G**

And don't take that walk

_____ **Am** _____ **Dm**

It's not you that steps back, tonight

Dm _____ **E**

You fought with those demons

_____ **Am** _____ **E**

And the fears that were left, inside

Am _____ **G**

This heart of mine whispers

_____ **Am** _____ **Dm**

That I'm not done with what I call the past

Dm _____ **E**

And I trust your halo

_____ **Am**

And those words that made up your mind

Dm _____ **G**

I'll leave you for someone tonight

_____ **Am** _____ **Dm**

The shapes of the city lights, burning too bright

_____ **Am** _____ **E**

And I know you won't run, you won't chase me there

_____ **Am** _____ **E**

And that gets to me more and more every day

_____ **Dm** _____ **G**

But you claimed that I was more than a man

_____ **Am** _____ **Dm**

And seconds 'til now you still loved who I am

Dm _____ **E**

And darling I will run, I will chase you there

_____ **Am**

In time you will learn there's us and them

_____ **Am** _____ **G**
