MISSION BELLS - ARMISTICE

A E A
I can still feel you there
D A E
Are we tangled in time somewhere
A E D
And it s been a while since you ve been â€™round here
A E A
Since you locked me in some devastated stare

F#m C# D A A
Oh then we could ring out like mission bells
F#m C# D A A
Across the yard we knew so well
F#m C# D A A
Come on come on give me my turn
E
To sing once more
And let it burn

A E
Cause Im
F#m
Im just no good
D A E
So leave me, as you should
A E D
And surrender to some unholy war
A E A
â€™Cause we forgot what we first came here for

F#m C# D A A
Oh then we could ring out like mission bells
F#m C# D A A
Across the yard we knew so well
F#m C# D A A
Come on come on give me my turn
E
To sing once more
D A D D
And let it burn
