

Truth About Heaven
Armor For Sleep

Artist: Armor for Sleep
Song: The Truth About Heaven
Tabbed by [myspace.com/izmozero]

Notes: This is for people who just want to sing the song right away,
and don't care about the intricacies of each guitar part.
I was frustrated not finding a chords sheet, so I made this one.
I would love if everyone made tabs in this form.
I absolutely hate tabs without lyrics in them (which is most tabs).
