

**Walking At Night Alone**  
**Armor For Sleep**

**Bm** **G**  
holding my breath walking at night with you  
**Bm** **G**  
i get to hear your voice again  
**Bm** **G**  
if this is a dream, maybe you ll stay with me  
**Bm** **G**

**A** **G**

**A** **G**

**Bm**  
don t leave me alone  
**A**  
don t leave me alone  
**G**  
i can t stand the way the world feels  
**Bm** **A**  
when i m walking alone  
[x2]  
**Bm** **G**  
can you please keep talking to me now  
**Bm** **G**  
tell me all about your new friends  
**Bm** **G**  
i know you don t think i can hear you now  
**Bm** **G**  
but i m listening, i m listening

**A** **G**  
and this is where we met  
**A** **G**  
we re back here again  
(back here back here again)

**Bm**  
don t leave me alone  
**A**  
don t leave me alone  
**G**  
i can t stand the way the world feels  
**Bm** **A**  
when i m walking alone  
[x2]

**G** **Bm**  
love seems like a mess  
**G**  
when it won t let go of me  
**Bm**  
but when it s gone i don t feel  
**G**  
when it s gone i don t feel alive  
[x2]

**Bm**  
don t leave me alone  
**A**  
don t leave me alone  
**G**  
i can t stand the way the world feels  
**Bm** **A**  
when i m walking alone  
[x2]

**G** **Bm**  
love seems like a mess  
**G**  
when it won t let go of me  
**Bm**  
but when it s gone i don t feel  
**G**  
when it s gone i don t feel alive
