Kids Aflame ARMS I love this song. Go TG. http://www.armsarms.com/cms/ capo 5 G-A-F#m-G G Α When the smoke finds a way to your nose F#m G It's telling you boy that its time to go F#m G G Α Then the smell gets in your hair and your clothes oh no oh no Kids aflame need something new They bay at the moon and they lie in the still They stole away all the memories too from you And they lie they lie to your face you were in love you were on your way I don't mind if heavenly stays you were in love sent you on your way again found you huddled in the corner still we talked in the dust about who we killed you can stop it you can start at will you will And they lie they lie to your face you were in love you were on your way I don't mind if heavenly stays you were in love sent you on your way again kids aflame have a saying they always say they say you and me and this place won't ever change won't change and they lieâ€|
