C#m7

I feel in love one day

F#m7

To a lady so cold

G#7 **C#m7**

She have all the magic serpents, oh

I turn the waterpot

F#m7

Made fool of myself

G#7 **C#m7**

And drab i start to swimming on my tears

I went to the sunshine days

F#m7

Visit your kingdons

G#7 **C#m7**

And all i see is good land

F#m7

My time is runing out

G#7 **C#m7**

And all i see now is good land

So show me the way

F#m7

Give me your hands

G#7

Take me to the last

F#m7

We have a lot today

We have a lot to say

C#m7

Bring gonna away for your head by the piano player

C#m7

So show me the way

F#m7

Give me your time

G#7

Take me to the last

F#m7

We have a lot today

We have a lot to say

C#m7

F#m7

Bring gonna away for your love sunshine days

G#7

C#m7

Now all i see is good land

So show me the way

G#7

Take me to the best

F#m7

We have a lot to say we have a lot today

C#m7

Bring gonna away for your head by the piano player
