

Chase The Sun
Arrows to Athens

[Verse 1]

Am **C**
The stars Slowly separate
Am **C**
Driving down a road That s taking us away
Am **C**
All I ever wanted was this (pause)
Am **C**
Your eyes Tell me what you ve lost
Am **C**
You finally take a breath Now that we are gone
Am **C**
All you ever wanted was this
D
All I ever wanted

[Chorus]

G **C** **F** **G**
Tonight we chase the sun We re burning up the sky
C **F**
Like the world is ours
G **C**
But can you feel so lonely if you re not alone?
F **Am** **G**
We ll find away to get back all the light
C **F**
So we chase the sun

[Verse 2]

Am **C**
The grass Between the air and dust
Am **C**
Is all that holds us back From getting what we want
Am **C**
All we ever wanted was this

[Chorus]

G **C** **F** **G**
Tonight we chase the sun We re burning up the sky
C **F**
Like the world is ours
G **C**
But can you feel so lonely if you re not alone?
F **Am** **G**
We ll find away to get back all the light
C **F**
So we chase the sun

[Bridge]

C **F**
How much longer must the morning wait?

Am **F** **Am**
It s coming up on the horizon

C **G**
Tonight

F
Tonight

[Chorus]

G **C** **F** **G**
Tonight we chase the sun We re burning up the sky

C **F**
Like the world is ours

G **C**
But can you feel so lonely if you re not alone?

F **Am** **G**
We ll find away to get back all the light

C **F**
So we chase the sun

[Outro]

C **F** **C**
Tonight we chase the sun We re burning up the sky

F
Like the world is ours
