Dsus2 **Am**

Becoming free

Dsus2 **Am**

It s not as easy as I d like it to be

Dsus2 **Am**

All these eyes that can no longer see

C **G**

In disguise buried into the screens of insignificance

Dsus2 **Am**

But there s nothing to fear

Dsus2 **Am**

Just tune into the presence that s clear

Dsus2 **Am**

What s real is always nearer than near

C **G**

Just ask yourself am I aware and see what happens next

F **G**

I am the moment waiting for you

Dsus2 **Am**

So take your time

Dsus2 **Am**

There is no need for you to rewind

Dsus2 **Am**

Or put a rope around the neck in your mind

C **G**

To get out you gotta go where you re blind and learn to see again

Dsus2 **Am**

But I ll give you a hand

Dsus2 **Am**

You re not wrong to always want to expand

Dsus2 **Am**

Or find a kind of spiritual plan

C **G**

To go beyond space and time and all of this predicament

F **G**

I am the moment waiting for you

F **G**

I am the moment waiting for you

F **G** **Am**

I am the moment waiting for you, you, you

Em **Dsus2** **C** **G**

Last time you asked me to surrender

Em **Dsus2** **C** **G**

Last time you asked me to believe

Em **Dsus2** **C** **G**

That we re beyond our thoughts and resolutions

Em **Dsus2** **C** **G**

Yes we re beyond everything

F **G**

I am the moment waiting for you

F **G**

I am the moment waiting for you

F **G** **Am**

I am the moment waiting for you, you, you

F **G**

I am the moment waiting for you

F **G**

I am the moment waiting for you

F **G** **Am**

I am the moment waiting for you, you, you

F **G**

I am the moment waiting for you

F **G**
I am the moment waiting for you

F **G** **Am**
I am the moment waiting for you, you, you

Then they play live, it ends with a Dsus2.
