Lost

Arthur Lane

[Verse]

Dmaj7 Gmaj7

sometimes i wish i was lost, in some place far away

leave my shadows of thoughts, and my belongings behind

Dmaj7 Gmaj7

sometimes i wish i was lost, in some place far away

leave the people behind, that seem to drag me in time

Dmaj7 Gmaj7

god take me away, far out into outer space

.

just show me some place, where I can finally wake up from this

[Chorus]

Bm

body of dreams that won t surrender to me,

G

it s just a promise that falls, just a promise that slips away

Bm A

this body of dreams that won t surrender to me,

G Dmaj7

[Verse]

Dmaj7 Gmaj7

sometimes i wish i was lost, in some place far away

leave my shadows of thoughts, and my belongings behind

Dmaj7 Gmaj7

sometimes i wish i was gone, I wish I was erased from space

leave no shadows of thoughts, no trace of my name

Dmaj7 Gmaj7

i could dance with the stars, slip away from my dark desires

the unforgivable sins, that seem to burn in my skin

Dmaj7 Gmaj7

i could sleep in the wind, and flow from coast to coast

forget i ve ever felt pain, forget even my name

Gmaj7 Dmaj7 so god take me away, far out into outer space and show me some place where I can finally wake up from this [Chorus] Bmbody of dreams that won t surrender to me, it s just a promise that falls, just a promise that slips away this body of dreams that won t surrender to me, it s just a promise that falls, just a promise that slips away body of dreams that won t surrender to me, it s just a promise that falls, just a promise that slips away this body of dreams that won t surrender to me, it s just a promise that falls, just a promise that slips away Dmaj7 Gmaj7
