Nothin but the music

E

Love it or leave it

F#

B

The music is all I need...

E

Once upon a time

B

Turned on the radio

F#

When I was feelin so down...

E

And all at once I heard

B

The future callin out

F#

My heart filled up with the sound...

E

Might play a stadium

B

Or an audience of one

F#

But one thing I know is true...

E

No matter who you are

G#m

The music is the star

F#

And we re just here to let the music shine through (shine through)
