

Alive

Artist Vs Poet

G **Bm**
The night has come again,
A **G**
And still, I am alone-
Bm **A**
This time more than ever.
G **Bm** **A**
A feeling I had never felt before
G **Bm**
And I don't want to remember.
A **G**
It's taking a hold of me now
Bm
You drove in town to see me,
A **G**
But you turned into a messenger
Bm **A** **G**
Oh, with news I never thought would hit my ears.
Bm
It's now numbing me inside
A **G**
(?) me from this life and I,
Bm **A**
Want so badly to disappear.

Chorus:

(Chord Pattern - **G--Bm-A-F#m--**)
Maybe someday I can stand again.
Maybe soon, I can learn to wash my hands of this and start anew.
But I need you now to mend my heart
Because you're the only one that can keep me alive tonight. (tonight [x5])

(Same Chords As The First Verse)
You're everything to me:
My whole world, entire being,
The one thing I hold true in my life.
What made you do this to me?
Did you want me to set you free?
It tears me up inside, every night.

(Same Chords As The Chorus)
Maybe someday I can stand again.
Maybe soon, I can learn to wash my hands of this and start anew.
But I need you now to mend my heart
Because you're the only one who can keep me alive tonight.
