

**Leavin In The Morning**  
**Artist Vs Poet**

Play with Capo 4

[intro] **F# B F# B**

**F#** **B**  
Waking up in your bed, saying sorry in advance

**Ebm** **B** **F#**  
Cause I ll be right back here again  
**B**

And come tomorrow morning

You know it s just a full warning

**Ebm** **B** **F#**  
That I ll be right back here again  
**B**

And again, and again

And again, and again

**G#m** **F#/G# B C#**  
An can you forgive me

**B**  
For dressing you up, dressing you down  
**C#**

Fucking you up, bringing you down

**F#** **Fm** **Ebm**  
And I won t feel guilty at all when I m done

**B** **C#**  
Dressing you down and fucking you up  
**F#**

Cause I m leaving in the morning  
**B** **F#**  
Cause I m leaving in the morning

No

So here we are again  
Are we lovers are we friends  
I just take what I can get  
And again, and again  
I just pretend  
Cause we both know how it ends  
And I don t know why  
you re falling apart,  
All I did was break your heart

And now I m dressing you up, dressing you down  
Fucking you up, bringing you down  
And I won t feel guilty at all when I m done  
Dressing you down and fucking you up  
Cause I m leavin in the morning  
Cause I m leavin in the morning  
No  
Cause I m leavin in the morning  
No

**F#**

Oh, we ve always been a label baby

**B**

All since I don t know when

**F#**

You should ve known better than this baby

**B**

Cause you know I m a rambling man  
Oh, we ve always been a label baby  
All since I don t know when  
You should ve known better than this baby  
Cause you know I m a rambling man

Tell me, can you forgive me  
Can you forgive me

for dressing you up, dressing you down  
Fucking you up, bringing you down  
And I won t feel guilty at all cause I m done  
Dressing you down and fucking you up  
And I won t feel, I won t feel, I won t feel, I won t feel  
Anything at all, cause I m fucking you up  
And I m leavin in the morning  
Cause I m leaving in the morning

Yeah
