

When it feels like the world has turned their back and locked their doors

**Am**

this is feeling impossible

**F** **G**

Honestly oh honestly this will never be

**F** **G**

Dont blame yourself Oh honestly

(Chorus)

**F** **C G** **Am**

Why dont we runaway we can leave our problems at the door

**F** **C G** **Am**

Why cant we runaway we ll turn our back and we ll say goodnight

**F** **C** **G** **Am**

As those dotted lines move faster we ll watch the night turn into day

**F** **(G?)**

So why dont we runaway

**F** **G**

Dont blame yourself Oh honestly

(Chorus)

Why dont we runaway we can leave our problems at the door

**F** **C G** **Am**

Why cant we runaway we ll turn our back and we ll say goodnight

**F** **C** **G** **Am**

As those dotted lines move faster we ll watch the night turn into day

**F** **(G?)**

So why dont we runaway
