

Ghosts Of York
As Tall as Lions

I ve wanted a tab I can actually play acoustic by myself, and couldn t find one,
so here s what I came up with. If you don t agree feel free to use or submit
corrections. I understand it isn t perfect note for note with the song, it s
more
of an acoustic cover tab to play by yourself than a real tab.

1/2 Step down Capo 5 (my guitar is almost always 1/2 down so you could play
standard with capo 4). Notes relative to capo...

Chords (Not proper names, just what we re gonna call them)

C/D	C	E/D	D	G
0	0	0	0	3
3	1	3	3	3
0	0	0	2	0
2	2	2	0	0
3	3	2	x	2
x	x	0	x	3

(Picked, like intro)

C/D	C	E/D	D	C/D	C	E/D	D
I	know	we	re	all	souls	just	trying
							to
							connect
							with

C/D	C	E/D	D	C/D	C	E/D	D
some	one,	but	we	re	all	left	searching
							on
							our
							own

Save pattern as above, just strummed. Listen to song for chord changes...

Tell me that you could hear it

three taps under the floorboard.
Don't say I'm losing it,
maybe you're deaf.
Could have sworn
that I locked
all these windows fairly tight.
Shut the door
hear a knock.
She starts turning off the lights

(Dead notes into chorus)

Chorus strummed like this..

C/D	E/D	D
3	3	3
3	3	3
0	0	2
2	2	0
3	2	x
x	0	x

C/D	E/D	D
And from the corner of my eye I saw you dressed all in white		

C/D	E/D	D
I saw you pass right by		

C/D	E/D	D
But maybe I had too much wine I hope you come back		

C/D	E/D	D
tonight you never said goodbye		

(Same as above)
Tell me that you could see it
a ghost whose skin is porcelain
Don't say I'm losing it
maybe you're blind
Saw her walk
through a wall,
turn her head and look at me
In a York hotel hall
I am falling to my knees

(Dead notes into chorus)

C/D	E/D	D
And from the corner of my eye I saw you dressed all in white		

C/D	E/D	D
I saw you pass right by
