

Love Love Love
As Tall as Lions

I m sure this is wrong but it s what I hear. I couldn t find tabs to this song at all so decided to give it a shot. I m positive the notes are right but you be the judge.
add any corrections. Better than nothing.

(This is from an acoustic mix so I can hear the acoustic guitar in it.)

Tuning: Half Step down

Intro: **Am, Dm, Am, Dm, Am, Dm, C**

Verse: **Am, Dm, Am, Dm, Am, Dm,**
(x2)

Chorus: **Fmaj, Am, Dm** (x4)

Have I...ever told you before I think you re beautiful when
you re sleeping I have faith you watch me in my slumber, too.
If I m all that you re looking for,
tell me, why is there a river streaming down your face?
Sometimes makes me wonder all about your
love.

After some time it s something i find true.
Love s not a grave, it won t decay on you.
Too many days I was afraid of love.

What if nothing is just that and
suffering s the only thing we re good at?
Dreaming, picture that
a whole world in a slumber.
But don t get
too attatched to the living,
even every single memory s
fleeting.
That s a fact, being torn
asunder.
But to my suprise, no reason
why, one day i woke
up and realized.

Give it to me,
love. I ll keep you in my focus
with love and affection.
