

No One Knows
a.s.a.

Asa - No one knows

capo 2 (C#m= XX2X2X, Bsus2= 024422.)

listen to song for strumming pattern if difficulties
any comments to sanviduca@gmail.com

C#m **Bsus2**

Just the other day, the other day
I was talking to the weather man
About today oh oh oh
And all,all he could say
Was no one knows tomorrow

C#m **Bsus2**

See I can read the weather child
I can say maybe the rain will fall
The sun will shine oh oh ohhâ€|.
But thatâ€™s as far as my story goes

C#m **Bsus2**

Cos no one knows tomorrow
Oh oh haâ€|no one knows tomorrow

C#m **Bsus2**

Tell me whatâ€™s the need
To go to war/all the killings
Just to settle some one elseâ€™s score o o o
When the victory isnâ€™t even sure
No one knows tomorrow

C#m **Bsus2**

See, we can study history
and philosophy and Platoâ€™s ideology
oh oh ohhâ€|
But tomorrows still a mystery oh oh ohh

C#m **Bsus2**

No one know tomorrow Oh oh haâ€|
no one knows tomorrow

C#m **Bsus2**

Tomorrow is your opportunity to fail
Or be successful if you please, yes indeed

C#m **Bsus2**

Tomorrow is a politicianâ€™s today
itâ€™s the victim of decision
and the future of our children

C#m **Bsus2**

So if I die someday,
Will I be in heavenly places ?
Singing halleluiah with an angel

C#m **Bsus2**

On the piano or will I be
Just another contribution
To the earth, the tress, the grasses

C#m Bsus2

As tomorrow slowly passes
No one knowâ€|.no one knows
