**F#m**

**F#m**

If I threw my broken body

**D**

Let it shatter on the rocks

**F#m**

Would you pick up all my imperfections

**D**

Keep them hidden in your jewelry box

**A**

Would you help this old man singing

**E**

Would you save this little boy

**F#m**

Would you treat me like a baby

**D**

And let treat you like his toy

**A**

**E**

Is this it? Honey is this it?

**F#m**

This is it.

**F#m**

Would you break me like a prism

**D**

Would you see my different sides

**F#m**

Would you separate the bright ones

**D**

Hang them on your laundry line

**A**

Would you help this tired Abraham

**E**

It s not just Isaac that is crying

**F#m**

For he who is busy loving

**D**

Is both living and is also dying

**A** **E**  
Is this it? Honey is this really it?

**F#m**  
This is it.

**F#m**  
Would you know me like a doctor

**D**  
Would you sing me like a hymn

**F#m**  
Would you touch me like a bridesmaid

**D**  
In some husband s dirty little dream

**A**  
When these defeated lips have failed me

**E**  
Would you save my hungry eyes

**F#m**  
Would you milk your breasts for honey

**D**  
Would you feed me all your pretty lies

**A** **E**  
Is this it? Honey is this really it?

**F#m**  
It s all that we ve been praying for

**D**  
Honey is this it?

**A**  
It s all that we ve been waiting for

**E**  
It s all that we ve been praying for

**F#m** **D**  
Is this it? Honey is this really it?

**A** **E**  
Is this it? Honey is this really it?

This is it.
